Dear Members,

It is a moment of great pleasure and pride for all of us to announce the second Biennial Convention of our Association to be held on 14th to 15th May 2022 at Fortune Park Pushpanjali, Durgapur.

Today, we all realise that Customs Brokering is no more a relationship business. With the phasing out of human interaction and moving towards online submission and electronic documentation, we have to be very thorough with digitalisation. Moreover, with the number of Customs Broking licenses being issued we are facing tough competition. A time has come that we cannot afford to run our business successfully with only Customs Broking. The expectation of the service levels from the Trade has increased and we must be able to meet their requirements. We feel that there is a need for us to have such a platform to identify and discuss the impacts, challenges and opportunities that are coming in the near future. That is why we have selected the THEME : **Empowering the Customs Broker - with Digitalisation and other Avenues.**

Eminent personalities from various fields will be part of this convention who will be sharing their knowledge experience and expertise. We believe that the Convention will open up ample opportunities for knowledge sharing and networking.

Your presence is very much important to make this convention a success. We heartily welcome you all to the 2nd Biennial Convention 2022 and looking forward to your enthusiastic participation.

with best regards,

Sudip Kr. Dey
President
